The Girls Scholarship programme (GSP) : We have launched a scholarship program for girls in Khed Taluka , Maharashtra .The Girls Scholarship Programme (GSP) aims to empower at-risk girls from the age group 14-18 years to overcome the very vulnerabilities that hinder their growth, safety and journey to self-reliance. The programme ensures 10 years of schooling for every girl, allows opportunities of higher learning and empowers for better career options. We are supporting 1044 girls facing multiple vulnerabilities through the GSP.

Alkemist -

A program run by an organisation called Human Capital to encourage women to grow faster in their careers in STEM.

Steam Engineering Course ; This program attempts to train and absorb women via the program
