Yes

IIT Roorkee is dedicated to fostering an inclusive environment that supports and encourages women in STEM. The institute's core value of "sensitivity towards social responsibilities" is reflected in its comprehensive support system for female faculty and students, designed to bring out their best potential. This includes gender-supportive facilities such as a state-of-the-art daycare centre and play school.

Awards and Recognitions:

1. **Special Awards for Women:**
    - **Shyama Mangal Outstanding Woman Employee of the Year Award**: This award is dedicated specifically to women employees, recognizing their exceptional contributions to the institute.
    - There are 19 awards specifically for female students, highlighting the institute's commitment to acknowledging and encouraging the achievements of women in STEM.
