Meril

Meril – Commitment to Women @ Work

Meril is committed to fostering an inclusive, diverse, and respectful workplace where women employees are empowered to grow and succeed. Women contribute significantly across various functions including Research & Development, Production, Human Resources, Learning & Development, Finance & Accounts, Business Finance, Supply Chain Management, Information Technology, Marketing, Quality Assurance & Control, Regulatory, Project Management and Administration.

Key commitments include:

- Equal Opportunity: Fair access to roles, growth, and leadership opportunities
- Flexible Work Arrangements: Where feasible, enabling work–life balance
- Maternity Benefits: Provided as per statutory and company policies
- Safe Workplace: Zero tolerance for harassment with strong grievance redressal mechanisms
- Career Development: Training, leadership programs, and skill-building initiatives

Meril believes that empowering women drives innovation, strengthens decision-making, and contributes to long-term organizational success. We continuously strive to strengthen our workplace practices to ensure women employees can succeed professionally while maintaining personal well-being
