Women Empowerment through Education & Skill Development

Building the Future Women Talent Pipeline

BlueTree Consultancy Services Pvt. Ltd.

Our CSR Philosophy

Empowering women and girls through education, skills, and opportunity to create sustainable social impact and strengthen the future pipeline of women in STEM and professional careers.

CSR Focus Areas

Focus Area	Partner	Contribution
Girls' Education Infrastructure	Round Table India & Ladies Circle India	Support educational infrastructure that provides safe and conducive learning environments for girl children.
Women Skill Development	Unnathi	Support employability, vocational skill development, livelihood programmes, and economic independence for women.

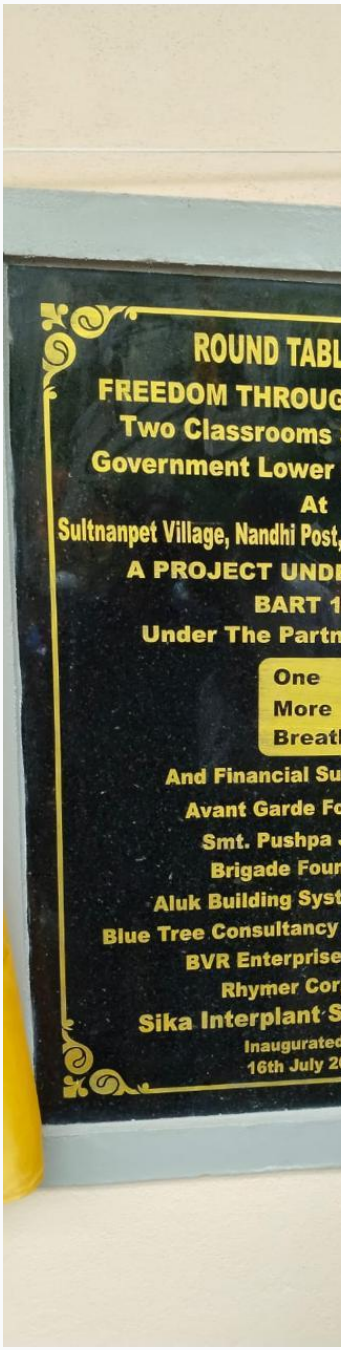

Why We Chose This Focus

- Improve access to quality education for girls.
- Strengthen employability through skill development.
- Enable financial independence for women.
- Build a stronger future pipeline of women entering STEM and professional careers.
- Create sustainable, long-term social impact.
